

Dear Parents,

Greetings of the day.

You are well aware of the grim Corona pandemic situation in our City. Day by day the situation is becoming worse with new cases in various parts of the City. Due to lockdown, all Educational Schools were closed down and till date the Government has NOT allowed us to reopen the Schools. However, our new academic year has started from 15th June 2020. After a gap of almost three months, our Teachers have joined the school and started planning for on line classes as well as activities to be given to students for the next couple of months. You have already been informed that your child has been promoted to the next class in the academic year 2020-2021. We are sure you must have received messages from the School about diagnostic test based on the previous year's syllabus.

We have obtained feed back from the parents about their readiness to commence on line classes. About 30 to 35% parents do not have either adequate mobiles, laptops, desktop or internet connectivity, wi-fi etc. However, taking into account the importance of 10th standard classes, we will be commencing online classes for 9th and 10th Standards, shortly. The online classes for 1st to 4th and 5th to 8th standards will commence gradually, at the earliest possible opportunity and the availability of necessary facilities with the Parents.

The lockdown has created financial difficulties for each one of us. However, many parents enquired about the fees for the academic year 2020-21. You all are aware that we have not increased the fees for this academic year. We request you to pay first term fees in the UCO Bank, either by Cash, RTGS or NEFT between 1st July and 15th July 2020. The bank details are provided herewith and the challans will be made available in the bank.

Standard wise Textbooks and 50/100 pages notebooks will be made available in the school premises, by observing all social norms, hygiene etc. Please note that this book sale is being organized for the convenience and benefit of parents and it is completely optional, and NOT AT ALL mandatory. However, the parents shall get 5% discount on textbooks and note books.

The PTA representative, class teachers, and concerned Supervisors have formed Whatsapp group of each class, for better and effective communication. If you are NOT receiving any SMS messages, kindly update your mobile nos. with school administration or through Whatsapp group, as early as possible.

With warm regards, Stay Healthy, Stay Safe,

Headmistress,
BVBSNVM
Primary and Secondary
